Reflections from our Members

2020 was a year that will be remembered in history because of the pandemic. Generations from now our decedents could be enlightened and blessed by our stories. Our stories of hope during the unknown. Our stories of faith over fear. Our stories of how we gathered for church over the web instead of in the pew. Our stories of how our neighbors reached out to us in compassion. What do you want people to read about your experiences this year? Record them and share them in our church newsletters. Please email or mail your reflections to Julie in the church office:

Ramblings and Reflections

Marilyn Gunderson

I have been thinking back to what the past year has been like. It happened so fast. One day we were planning our future. The next committee meeting or the next Council meeting. For me, the next Circle meeting or the next Pin and Sew Day. For others, the next coffee hour or choir practice. And, of course, the next worship service. We took it all for granted. Then suddenly, there was nothing. No church, no meetings... nothing. We thought three weeks to "flatten the curve" was doable. We had no idea our lives would change dramatically for, at this point, most of a year, and very likely well beyond.

All of a sudden we were afraid. Unsure if being with extended family was safe. Unsure if we dared to go the grocery store or the gas station. The deadly virus that consumed the world put us in a place no one would have ever imagined.

This situation has put us in pretty much of a lock down. With the exception of a short time in the summer, our church experience has become almost exclusively "virtual". Our day-to-day activities have been altered too. Some people have continued to go to work, while many others have changed to working from home using technology. Schools too have become virtual in many cases. Our children have had to learn on a screen and not engage with their teachers or their friends.

As a retiree, my typically full calendar has become nearly empty. Many of my days had included some activities at church. Now, I and probably the majority of my peers depend on TV and phone calls to stay engaged. But the truth is that most days are pretty much the same. Cleaning closets got old pretty fast. Sewing quilt tops for church has filled many days. Home Bible study works, but it's not the same as engaging in interesting conversations with others.

But, we carry on. While some have had very difficult struggles with the virus, most of us have remained healthy. In either case, and despite the hardships and life changing adaptations we have dealt with this year, we are so very blessed. The people of our congregation who have worked tirelessly to keep us going make up a list too long to write. The thanks you are many and deeply felt. We will see our way through this challenging time. With the pending vaccines, the hope of normalcy is becoming more real. There is a verse that gives hope in the midst of trials I'd like to share. In John 16, Jesus was speaking to His disciples and giving them encouragement for a time when He would no longer be with them.

John 16:33; "I have told you these things, so that you may have peace. In this world you will have trouble. But, take heart, I have overcome the world." We need to remember this. He will give us peace as well.

President's Message

EKLC Members:

This will be my last message as Council President – time sure flies! It has been a wonderful experience to get to work with some many wonderful fellow members here at EKLC. We are truly blessed with people that are so willing to give of their time and talents to the well-being of our church.

We appreciate all of you adapting to a new way of holding our Annual Meeting this year. You all should have received an email or mail copy of our annual report. The information is yours to review and submit any questions in advance of voting. **Voting should take place online – or via mail in ballot prior to February 13th.** We will hold a special executive meeting on Sunday, February 14th to count the votes and confirm the new council and committees.

To say that my last year serving as your Council President was challenging is an understatement. Your council members have worked hard each month navigating how to keep us all engaged and connected, while we are apart. The health and well-being of our membership has always been at the core of any decisions that were made this past year. We are thankful to all members that kept giving to EKLC this past year, your gifts are certainly appreciated as we tried to stay pace with expenses.

As I leave as Council President – my hope for our beloved church is for continued growth. So many people, past and present, have done positive things to lay the foundation to continue to build on here at EKLC. While the pandemic has certainly challenged us this past year, this too shall pass. I look forward to the time when I can see you all in person again at worship!

Blessings to you all,

Chris Frodel

Let's Walk to Bethlehem! ...We're still walking!

At EKLC our mission statement includes Gathering. During this time of COVID it is hard to be together as a congregation. Gather by joining the EKLC World Walking Group on a virtual Walk to Bethlehem.

Each individual who joins the group will record their real world steps walking, miles biking, meters rowing, etc. All of these steps, pedals, and strokes will be used to virtually traverse the 7400 miles from here to Bethlehem.

Let's keep healthy this winter and do something together even when we are apart!

You do not have to have a computer to participate. Follow the appropriate steps below to join us.

How to Participate:

High Techy Folks

1. Search and download **World Walking** from your app store (either iPhone or Android).
2. Search for the EKLC Group.
3. Create an account and connect to the group.
4. Add the Walk to Bethlehem walk to your account by clicking on the walk from within the group and saying **Join Now**.
5. Connect your account to your fitness device. If you are doing this from your phone, you will get a prompt.
6. **Move!** Your steps will sync to the app. You will need to move your banked steps to the walk in order for them to count toward our destination.
 - a. If you bike or row you may need to manually add those miles as your fitness tracker may not count them.

Low Techy Folks

1. Go to <https://worldwalking.org/>.
2. Click on Groups.
3. **Search** for EKLC in the search field and select the group by clicking on it.
4. **Join this group** by clicking on the button of the same name.
 - a. You will need to Register with your name and email.
5. Once in the group add the Walk to Bethlehem by selecting the EKLC group in your Dashboard, clicking on the Walk to Bethlehem, and choosing **Join Now**.
6. **Move!** This can be walking, biking, or marching in place while watching TV.
7. Track your steps or miles in the app. From your Dashboard use **Add Steps** to log the miles/ you've moved. (note that you can log in either mode steps or miles....or kilometers if you want to be Canadian)
8. Choose **Spend Steps** to apply those steps to our walk. You can do this each time you log or at some other interval. Note, your steps will not be logged to our walk until you "Spend" them.

No Techy Folks

1. **Move!** This can be walking, biking, or marching in place while watching TV.
2. Track your steps or miles on a piece of paper.
3. Call the church office once a week with your weekly counts. Julie will enter them manually in our walk. You can leave a message if the office is closed.
 - a. Alternatively, you could get a family member to create an account for you (see Low Techy Folks) and track your individual progress toward our group goal.

News from the church basement ladies:

Hopefully we will be able to gather again- maybe after we elderlies get vaccinated! Right now we work from home. Julie is working on the booklet for 2021 which shows which circles are responsible for duties each month. Right now we are relying on Marge and Marilyn to take care of most of the chores. Thanks to Ken and Marge for taking down the Christmas tree (and to the guys who put it up, for that matter) .

Thanks also to the tech guys who make it possible for us to keep connected to our church, and George Carlson and Dave Berggren for bringing us services. Hopefully we will have an interim pastor soon.

We are back delivering Meals on Wheels again in February, and I want to thank all of those who are stepping up to take care of this important work. I have an inquiry out to Marlene Hussey, who by the way delivered all the meals for almost a year, about the details, but as far as I know now, our job is to show up at the Lake Ripley Family Restaurant around 11:15 AM, pick up the cooler of food and the clipboard of instructions and directions, and away we go! Here is our schedule:

MEALS ON WHEELS SCHEDULE:

Monday, February 15	Hal & Vicki Schuh
Tuesday, February 16	Hal & Vicki Schuh
Wednesday, February 17	Jeff & Sandy Notstad
Thursday, February 18	Jeff & Sandy Notstad
Friday, February 19	Jeff & Sandy Notstad
Monday, February 22	Carolyn Lien
Tuesday, February 23	Carolyn Lien
Wednesday, February 24	Buddy & Beverly Lien
Thursday, February 25	Don & Eileen Hoehn
Friday, February 26	Don & Eileen Hoehn

Thank you so very much to all of you for your help.

Lent will begin before our next letter, and it will be a year since we have all been able to gather together. Hopefully we can remedy that soon.

God Bless you.

Communicator Carolyn

Sunday School Confirmation

What Have the Youth Been Up To?

Our Sunday School has remained virtual with take-home craft bags for each family. I would like to give a special thank you to Erica Lien and Thianna Wegner for taking charge of the Sunday School lesson and craft videos. You're doing a great job! Another thank you goes out to Denise Rockney for always being willing to help deliver the craft bags every couple of months or so. The Sunday School program wouldn't be the same without any of you!

The confirmation classes have remained virtual as well. We are finishing up our deep study of the Apostles Creed and moving on to learning more about Martin Luther and what it means to live a Lutheran life. We have been having some rich discussions, and have enjoyed getting to know each other better. I am thankful for each one of you!
