Sundays and Beyond

October 2021

East Koshkonong Lutheran Church

ELCA

Dear Friends in Christ:

Rally Sunday was an exciting day for our church. Our Sunday School and Confirmation Programs are up and running. We heard from our Sunday School adults about the program this year. We also had an opportunity to hear from our youth who, with support from EKLC, went to Bible Camp this year. We heard an invitation to our High School Youth to the National Youth Gathering in Mpls next summer. And we held up the work of our quilters and blessed the work of their hands as they prepared to send the quilts and kits to Lutheran World Relief.

The work and life of the church continues even though we are still struggling with COVID. Because of vaccine hesitancy, we have not been able to stop the spread of this vicious disease and we are back to wearing masks in indoor spaces. We had so hoped that this fall we could really think about getting small groups of our adults together to study and reflect. I know that there is interest in Adult Bible Study. But with distancing, wearing masks, and not being able to share a meal or even a cup of coffee, that just is not able to happen. Your safety and ours, comes first.

But if 2020 taught us anything, it is that the church will find a way to share the Word of God! It might not be what we would prefer or be familiar with, but we will figure out a way.

So, in this newsletter we are introducing a 4 part Bible Study/Faith Five Experience.

We are going to use the wonderful material that the Confirmation Program has used

at EKLC for a number of years now. It is from Faith Inkubators out of Stillwater, MN. Faith Inkubators has, as its goal, to help children, families and adults grow in their faith. They use a tool called the Faith Five: 1. Sharing Highs and Lows 2. Reading a Bible verse or passage 3. Discussing how that Bible passage speaks to our highs and lows 4. Praying for each other and our world 5. Blessing each other.

The Confirmation students will be studying the Old Testament this year. So that is where we will begin. Each of the 4 Bible Study's will focus on a chapter of the material and will include the Faith Five.

We invite you to do this Bible Study/Faith Five with your families, with a friend, over the phone, or in person. If we have interest, we can even talk about a Zoom Bible Study/Faith Five experience.

Join with our confirmands and take part in growing in your faith and your knowledge of the Bible! Check out the Bible Study in the Newsletter!

Yours in Christ,

Pastor Linda

President's Message

This month's entry is a vacation edition, light on content. See you in October!

Looking back:

- Our Community Café was a great success. Special thanks to Brenda Schroeder for organizing, the Veeley Family for cooking the pork, all those who supplied food/money, and those that worked. This is a great way for East to help out the larger community
- What a great turnout for Rally Sunday! Parents and kids enjoyed all of the work that our Sunday School leaders put into the day.
- The build a bouquet fund raiser sold out! Thanks to all of those who participated.
- Our second outdoor service of the year was on 9/26. Thanks for all of those who helped with organizing, setup, take down, and participating in special music.
- Thanks to Nathan and Bobbie Stach for working on the flower beds in front of the Upper Church. They make our grounds look great!
- In the last year we've received several generous donations to our investment fund. Thanks to those families whose funds will help grow our congregation in the future.

Looking ahead:

- Our synod continues to look for pastoral candidates for us. While we wait for candidates, please participate in listening sessions, surveys, and conversations about who we are as a congregation and the kind of pastor who should help guide us.

October Congregational Challenge

Matthew 7:7 "Ask and it will be given to you. Seek, and you will find. Knock, and it will be open to you"

I'm no biblical scholar, but this verse speaks to me right now. I think it is about how we need to be active participant in our faith and our lives with God. The more we do, the more we have returned to us. We cannot sit back and just hope something good happens.

In our time between called pastors, it is easy for us to sit back. To wait to make decisions, wait to take steps forward, wait to start new initiatives. Instead God calls us to continue to act. To move forward together as a congregation.

We need ideas for how we can grow in this interim period. What doors should we knock on? What help should we provide for our neighbors? What initiatives should we start?

Looking forward to hearing your ideas. Send them to me or Julie.

Stay well.
Kristen

EKLC Council Meeting Minutes

Meeting was called to order at 6:15 pm. Those in attendance were Kristen Lien, Jaime Lewellin, Oren Hammes, Kim Timmer, Nathan Stach, Linda and Loren Schumacher and Jason Schlieckau.

Devotions- Oren: Paul's letter to Corinthians, Chapter 13
Financial updates, Profit/Loss statement, Money Market account, Memorials.

No additional memorials in July but there will be some coming in this month.

Camp scholarships were paid from Christianson fund.

Edward Jones fund back to \$900, which is the normal amount.

July profit loss- general offering on target and the same as last year but down from 2019. Expenses down too. Net income in negative for this month. There was a large amount in snow removal but this was due to all hours turned in at once.

Aug to this point is a little behind on giving. We are at 13,006 and this time last year was 15,617.

PPE loan- no forgiveness info yet. Still waiting.

Envelope box ordering will be reduced slowly. Continue to push Vanco as this will slowly reduce envelopes as a result.

The replies Julie gets from the survey will be taken off the list of envelopes, and Julie will order the balance.

Motion to approve financial reports made by Oren, seconded by Jamie, passed.

Review of Minutes from July meeting.

Motion to approve Minutes made by Jason, seconded by Oren, passed.

Christine Anderson web site developer topic --Kristen signed her contract. Month to month fee is \$150/month.

Education Committee Minutes discussion:

Kristen's help wanted post this month will be focused on an adult education position.

Sunday school teachers indicated that they'd like to have a parent help out on and off with Sunday school.

Worship Committee discussion:

Per Vicki, no choir going forward, but leave line item in budget since we hope to have a choir again.

Outdoor service scheduled for Sept 26th.

Comments about no coffee hour. Why do some people get to use the fellowship hall and others not? This will be discussed later in the meeting.

Personnel Committee Discussion:

Chris and Jaime did an exit interview with Debbie. The recommendation is that we repost the position soon.

Pastor's report:

Confirmation teachings discussion, and how the kids will be split amongst the pastors.

There are currently no kids showing interest in the youth gathering trip.

Call committee and survey discussion. Discussed the continuing role of the Call committee throughout the call process.

Looking to have this committee meet more frequently and continuously review the church profile.

A motion made by Jaime to approve reports and seconded by

Kim, accepted and passed.

Old Business

Thank you topic discussion. Considering doing a monthly "unsung hero" instead of sending multiple thank you cards. The unsung hero would focus on one member per month and the contributions they make to the congregation and church. They would be recognized with an article in the monthly newsletter.

In-person worship topic discussion:

Mask mandate in effect for 8/19/21. Kristen to send updates to Julie for new mandates. Discussion on opening the basement for coffee hour. If we are going to continue to follow the science and try and protect our congregation, then we need to continue to hold off on coffee hour. Nothing is scheduled after this Saturday for use of space. Now that masks are required again, Jaime has signs made and will forward to Julie. Only open spaces to be bathrooms, starting Sunday, unless previously approved.

Office phone discussion:

We will proceed with the Ooma phone solution. We will be able to test this solution side by side with existing Frontier service for a month to assure call quality. When we are happy with the new service we will cancel most of the frontier service, leaving only the dedicated elevator line, which is required by law.

New Business

It was requested that the June Ramberg memorial be applied to Undesignated Memorials or WELCA funds, and not the general fund.

Wedding and funeral liaison topic discussed. This is a position that serves as a liaison between couple/family and church. The position is paid by the family, but is not a paid position. Duties might include getting meals ready, setting up picture boards, making sure candles are lit, doing walkthroughs with the family, answering any questions and opening up/locking up the church after events. Payment is usually \$100 to \$150 per event.

GODS WORK OUR HANDS:

Not enough time to start anything this year, but examples like the upcoming outdoor service is representative that the church is alive and functioning, even in these times of COVID. Erica also has a couple of nice service projects planned such as fundraiser of selling flower bouquets. Brenda is planning and coordinating Community Café. Money should come from Undesignated Memorials if needed. Consider doing a separate Zoom Council meeting for the Constitution updates.

Recommendation from Personnel Committee came in during this Council meeting, that we post the position for Youth Director as soon as possible. Per the committee, they are working to update the job description and we will post as soon as the description is revised and completed.

Confirm next meeting: September 22, 6:15 PM (Devotions – Nathan)

Adjourn at 7:56PM - Motion made by Jaime, seconded by Oren.

Koats for Kids is a program to collect and provide warm coats for families in our area. This year, CART is a drop off center for coat donations. Between September 14 and October 10, people in our community can drop off donations to Koats for Kids. The CART office will definitely be open on Mondays 11am-3pm and Wednesdays 1-5pm. The address is:
223 Jefferson Street Suite #1
Cambridge, Wi 53523.

News from the church basement....

Thank you to Joy Circle for providing help in September, and to Light Circle for October. Our next Pin and Sew will be on Thursday, October 7, at 8 AM. Again, we will have our business meeting over coffee at mid morning. This usually happens at 9:30. Please plan on having a representative from your circle attend as we will be planning the 2022 Women of the ELCA Handbook for EKLK. Perhaps sometime soon we will be able to resume our lunches together.

We have been busy this year, when the rules allowed! building, tying and sewing quilts, and putting kits together to send to Lutheran World Relief. At this point the exact number of quilts finished is not known to me, but hopefully will come in around the 80 mark. We packed 136 school kits and 16 personal care kits. Thanks to the confirmation class for helping get the boxes packed, weighed, and labeled for shipping, and to Heidi for delivering them to the rail yard. We have already begun working on the next generation of quilts! Thanks, also to those who gave money to help pay for the shipping.

Thank you to our loyal Meals on Wheels deliverers. Some of you were relieved of duties this time because of a Covid problem at the restaurant. Thank you for your willingness to serve our community in this way. Our next delivery time is weekdays, from December 6 through 17.

Enjoy the autumn weather.

God Bless you.

ADULT EDUCATION COORDINATOR

'Grow and learn how to be a disciple of Jesus and share Christ's love' is part of our mission statement. Our adult education coordinator would work with the pastors to create opportunities for adult members to learn more about their faith and the church. From bible studies and book clubs to video watching during coffee hour anything is really possible. We are looking for a person to be a caretaker of our growth as a congregation in this area.

If you are interested, contact Julie in the office.

Sunday School

Sunday School will be in person all year and will abide by the mask mandates that are in place.

We will try to do as much outside as possible.

Some sneak peeks into the 2021-22 Sunday School Classes!

Confirmation

The ELCA Youth Gathering is just a year away! Want to go and have an inspiring experience?

"I want you to know all about Christ's love, although it is too wonderful to be measured. Then your lives will be filled with all that God is." Ephesians 3:19

Introductory Information

Dates:

Saturday, July 23 (bus to Minneapolis) – Thursday, July 28, 2022.
Gathering begins the evening of July 24.

What will we be doing?

Meeting and getting to know youth from our church, our synod, and all over the country.

Service Learning Day – a day of doing a service project or learning about important issues in the Minneapolis area.

Synod Day – Gathering with all the youth in our synod for conversations, activities, music, and worship together.

Interactive Learning Day – A day spent in a conference center with dozens of exhibits, games, activities, and meaningful opportunities like donating blood and donating hair, putting together personal care kits, helping to build a Habitat house, etc.

Mass Gatherings – Each day will end with speakers and worship with 35,000 people in a sports arena. One of the most meaningful experiences of the Gathering.

Transportation and Housing:

We will travel to Minneapolis by charter bus, which will also be our bus within Minneapolis during the week. We'll be going with other congregations in our area. We'll also do a lot of walking. ☐

Our group will be housed in a hotel in the Twin Cities with the other churches in our synod. (We'll find out where in January) Youth will be assigned rooms and will likely have 3-4 kids in each room.

Food:

For breakfast, we'll likely buy food so we can eat in our hotel rooms each morning. Some of our meals will be provided by the Gathering. For other meals, we'll find restaurants and/or eat from food trucks in the area.

Adult Leaders:

Pastor Jennifer Jelinek and Pastor Brenda Lovick will be leading our group. Depending on our numbers, we may need an additional leader.

Expectations:

All youth will attend monthly meetings to help prepare for the gathering. Youth who want help paying for the trip will participate in fundraising.

All youth will sign a behavioral covenant for the Gathering, which includes respecting leaders, youth, staff, and the facilities at the Gathering, caring for one another, refraining from sexual activity and use of tobacco, alcohol, or drugs. Violation of this covenant will result in the youth being sent home at their own expense.

Cost:

About \$1200 per person, which includes the Gathering, hotel, transportation, food, and Gathering T-shirt. We're asking each student to pay \$100 to secure their spot. Families may pay the whole amount, but we'll do major fundraising to try and earn the rest.

Fundraising Ideas:

Touch-a-Truck Concessions – Sept. 11 10:00 a.m.- Noon
Envelope wall
Bake Sales
Bingo Night, raffles, raffle baskets
Dinners

Registration:

Registration and non-refundable \$100 deposit are due by October 1, 2021

What is it? The Gathering is a 4-day inspiring faith formation event where 35,000 Lutheran high schoolers from all over the country come together to learn, interact, worship, have fun, and serve together.

Where is it? This time, the Gathering will be held in Minneapolis. Our Synod will transport us to Minneapolis and within Minneapolis/St. Paul by charter bus.

Who can go? Youth who are currently going into 8th – 12th grades.

Cost: About \$1200 per person. That sounds like A LOT, I know. But we hope to fundraise most, if not all that cost. We're asking each youth to contribute \$100 as a deposit.

Some Specifics: We'll be gone from Saturday, July 23- Thursday, July 28.

We'll be housed in Twin Cities area hotels with churches from our synod.

Each day will be a different focus. There will be a Service Learning Day, an Interactive Learning Day, and a Synod Day. Each evening will be a Mass Gathering at the US Bank Stadium, where we'll learn, worship, and hear incredible speakers and musicians from all over the world. It's an incredible experience, and a whole lot of fun.

Lae Center Workshop Structure

REFINE

As the Malei team prepares for the consultant check of Psalms 73-150, they continue refining the Malei text. These "tweaks" show that the team is increasingly comfortable with departing from trade language grammar in order to make the text sound like true Malei! This is an advanced translation skill and we are thrilled to see evidence of it in their work!

Psalm 122:4 (before)

Ôdôn sapên atu ba Wapômbên anên avômalô

All the groups who are Great Generous One's people

êlêm lon êntêk

come to this place

ek nênem athên bên êndên Wapômbên

in order to give big name to Great Generous One

êtôm abô majan atu ba

according to the strong talk that

bôk hêv hadên avômalô Israel.

he gave to Israel people.

Psalm 122:4 (refined)

Ma ôdôn sapên atu ba êlêm lon êntêk

All the groups who come to this place

ma Wapômbên anên avômalô

are Great Generous One's people

ek nênem athên bên êndên yani

in order to give big name to him

êtôm abô majan atu ba

according to the strong talk that

bôk hêv hadên avômalô Israel.

he gave to Israel people.

REJOICE

God blessed Josiah and Leah with Eli Benjamin on August 16th! "Eli" is short for "Elisa" (Elisha), who has been leading the Malei translation team for so many years, and whom Josiah considers to be his second father. We are thankful for technology which allows us to get our "Eli" fix every few days!

REGROUP

After many months, we are "regrouping" in order to get back to full-blown workshops. The awesome Lae Center staff designed and built this sturdy structure (shown on the front) which can accommodate all seven Huon Gulf teams outdoors in rain or shine! We are excited to use it during the translation workshop this month followed by a vernacular music workshop where worship leaders from the Huon Gulf groups will compose and record worship songs in their own languages.

Praise:

- All Huon Gulf teams are healthy and are not reporting any unusual sickness in their villages.
- We continue to see God's hand in our comings and goings, keeping us from getting into situations that would be difficult to navigate given current events.
- A doctor at Ukarumpa can oversee John's cancer follow-ups and gave him another all-clear in August.
- Our children all attend solid churches and are committed to following their Saviour and Lord Jesus Christ.
- Lae Center staff who joyfully work so hard to provide a peaceful and clean place where Huon Gulf teams can gather to do translation work.

Prayer:

- Translation workshop Sept 13-24
- Vernacular music workshop Sept 28-Oct 6
- Safe travel for participants and staff
- God's words to be planted deeply in participants' hearts through translation and music

Effective on Aug 19, 2021, Public Health Madison & Dane County will again require all individuals aged two and older to wear a mask while in any indoor space open to the public. East Koshkonong will continue to follow and base our guidelines from Dane County directives as well as best practices from the CDC.
